DEATHS

MRS. C. T. DRINKARD

Mrs. Sallie Cobb Drinkard, 76, formerly of 225 Bell St., Lynchburg, died Saturday at 9:20 a.m. in Spout Spring Home of the Aged after a long illness. She was the widow of Clayton Thornhill Drinkard.

Born in Franklin, she was a daughter of T. Wade Cobb and Florence Parker Cobb. A graduate of Farmville State Teachers College, now Longwood College, she was a retired teacher in the Appomattox County school system. She was a member of West Lynchburg Baptist Church.

She is survived by three sons, Clayton T. Drinkard Jr. and W. Wade Drinkard of Lynchburg and Tye C. Drinkard of Concord and six grandchildren.

Funeral services were conducted in Hebron Baptist Church in Concord Monday, Sept. 18, at 4 p.m. by the Revs. Richard J. Englert Jr. and Dennis Moore. Burial took place in the church cemetery.

Whitten Funeral Home was in charge of arrangements.

MRS. R. H. FLESHMAN

Mrs. Lucy Frances Fleshman, 38, of Rt. 3, Appomattox, died Wednesday at University of Virginia Hospital, Charlottesville. She was the wife of Robert H. Fleshman.

She was a daughter of Joe Lancaster and Mrs. Mealie Lancaster.

In addition to her husband and parents, she is survived by a brother-in-law, Russell Fleshman.

Funeral services were conducted at 2 p.m., Sunday at Promise Land Baptist Church, Appomattox, by the Rev. R. Q. Lawing. Burial took place in the church cemetery.

West Funeral Home, Appomattox, was in charge of arrangements.

ALICE R. SILBY

Alice Rebecca Silby, 88, formerly of 2441 Kemper St., Lynchburg, died Sept. 19, at 5 a.m. in Snow's Nursing Home after a short illness.

Born in Appomattox County, she was a daughter of the late Alphonza and Nannie Whorley Silby. She was a retired employe of Craddock-Terry Shoe Corp.

She is survived by a brother, Henry C. Silby and a sister, Mrs. Charlie T. Bates, both of Lynchburg.

Funeral arrangements are incomplete.

Whitten Funeral Home is in charge of arrangements.

MRS. JAMES P. SCRUGGS

Mrs. Nannie Dickerson Scruggs, 91, a native of Appomattox County, died at 2:15 a.m. Saturday at the home of a daughter, Mrs. L. C. Taylor in Elkton. She was the widow of James Preston Scruggs.

Born in Appomattox County, she was a daughter of Elijah T. Dickerson and Sallie Woodson Dickerson. She was a member of Elkton Presbyterian Church.

She is survived by a son, J. Thomas Scruggs of Elkton; two other daughters, Mrs. C. E. Jones of Concord and Mrs. Dorothy La Mar of Washington; four sisters, Mrs. Mittie D. Woolridge and Mrs. Mammie D. Evans of Lynchburg, Mrs. Sallie D. Jones of Princeton, W. Va. and Mrs. Laura D. Howerton of Logan, W. Va. six grandchildren; seven great-grandchildren, and a number of nieces and nephews.

Funeral services were conducted at 2 p.m. Monday at Elkton Presbyterian Church. Burial took place in Elk Run Cemetery.

Brill Funeral Home of Elkton was in charge of arrangements.

MRS. CHARLIE B. PAGE

Mrs. Grace Coleman Page, 81, of Rt. 4, Appomattox died at 7:40 a.m. Friday at Lynchburg General-Marshall Lodge Hospital. She was the widow of Charlie Baxter Page.

Born in Appomattox County, she was a daughter of Spurgeon Coleman and Emma Ferguson Coleman. She was a member of Red Oak Baptist Church.

She is survived by four sons, Ray Page of Appomattox, Elmo C. Page and Lathan L. Page of Lynchburg and Charlie Page of Colonial Heights; seven daughters, Mrs. Mary Deaner, Mrs. Vera V. Pugh, Mrs. Irene Mays, Mrs. Agnes Wilkerson of Appomattox, Mrs. Susie Carter of Chatham, Mrs. Bernelle Bellon of Baltimore and Mrs. Gladys Carson of Farmville; a brother, Sam Coleman of Appomattox; three sisters, Mrs. Maggie Spiggle, Mrs. Irvin Moses and Mrs. Ruth Robertson of Appomattox; 19 grandchildren and 18 great-grandchildren.

Funeral services were conducted at 3 p.m., Sunday at Red Oak Baptist Church by the Rev. G. E. Hughes and the Rev. R. T. Smith. Burial took place in the church cemetery.

Robinson Funeral Home, Appomattox, was in charge of arrangements.

A PROCLAMATION

By Mayor Henry B. Pack

In John Colter's sags of adventure, we find the genesis of an idea which was to change man from nature's ancient adversary to its friend and preserver. In 1806, this guide and trapper from Lewis and Clark left the expedition on its return journey and set off on a series of exploits that brought him alone and on foot, into an unknown wilderness of majestic splendor. He carried back tales which prompted scoffing disbelief, then awe, and finally an unending cavalcade to the headwaters of the Yellowstone River. Years later, on March 1, 1872, in an Act signed by President Grant, Colter's discovery was established as the first national park for the people of the Nation and of the world.

A century has come and gone, and in that time the National Park System has grown to include 280 areas embracing the most magnificent examples of America's natural and historical heritage, in every time and season, our parks give of their joys and beauties. They have enriched the citizens of this land beyond measure, and have inspired more than 100 nations to set aside over 1,200 national parks and reserves. Truly, "one touch of nature makes the whole world kin."

NOW, THEREFORE, I, HENRY B. PACK, Mayor of Appomattox, do hereby designate the year 1972 as National Parks Centennial Year.

I urge officials and citizens of Appomattox to cooperate in the observance of this year with activities that will not only honor the past but will provide a focus for understandin g the increasing importance of the National Park System in the lives of all Americans. I urge all citizens to visit Appomattox Court House National Historical Park during 1972 as well as other national parks across the land.

Henry B. Pack

TIPS ON QUITTING CIGARETTES

1. Pick a Q (Quit) Day.
2. Switch to a low tar-nicotine brand, and begin to cut down BEFORE Q Day.
3. Keep a supply of substitutes handy: mints, gum, celery, carrot sticks.
4. Quit on Q Day; use substitutes when the urge to smoke is strong: keep busy; pamper yourself with special meals; drink plenty of water; exercise.
5. Renew your resolve daily. Think over the health hazards of cigarettes.
6. Plan a treat for yourself with the money you used to spend on cigarettes.

We've got over 300 good, steady jobs.

In construction, transportation, communications, computers. For photographers, printers, truck drivers, surveyors, typists, TV cameramen and repairmen, cooks, electricians, medical aides, motor and missile men. To name a few.

Homemakers Club

The Spout Spring Extension Homemaker's Club will meet on September 28th at 7:30 p. m. at the home of our president, Mrs. Mary Moon. The subject will be "USING YOUR BANK'S SERVICES". Members are also requested to bring an item for our auction which will follow. The proceeds will be used to fatten up the club's treasury, so come one and all. Visitors are welcome.

Homemaker Hints

The Extension Homemakers will plan Achievement Day on Tuesday, September 26 at the County Extension Office. The meeting begins at 10:30, and a representative from each club should be present.

What is your plumbing situation? You can temporarily stop small leaks in water pipes by wrapping an old leather belt around the pipe. Wrap with wire and tighten with pliers. This should handle the problem up to par by pouring about 1/2 pound of washing soda down the drain about once a week. Run hot water slowly until the granules dissolve.

If your faucet drips and can not be repaired immediately, put a sponge under the faucet. This will quiet the drip and also prevent rust spots. Or, try tying a string to the faucet, long enough to reach the sink. The drops will run quietly down the string.

A grease clogged sink drain may be cleaned by 1/2 cup baking soda, followed by 1/2 cup of vinegar. Let stand about 15 minutes then run warm water down the drain.

Lime For Profits

There are two primary reasons for applying lime to acid soils says J. A. Smith, Extension Agent of Appomattox County. One is aesthetic value or improved appearance of field crops and lawns. The other is financial return from promotion of better quality crops.

Everyone like s to have a beautiful lawn and uniform fast growing crops continues Smith. These please the eye and improve the prestige of the farmer or homeowner.

Just as important is improvement in quality of crops and thus increased income. A crop that exhibits slow growth, non-uniformity, and generally low quality can depress one's feelings and image in the community However, a rapidly growing, uniformly high quality crop reverses these, in addition to improving income potential, improving possibilities of paying bills, purchasing that needed tractor, painting the home and barn, taking the family on vacation and satisfying many other needs and desires.

Research has proven that corn yields can be increased by 25 or more bushels per acre, soybeans by 8 or more bushels per acre, barley by 40 or more bushels per acre and alfalfa by 3 or more tons per acre by use of lime where needed. Place a price on these, deduct the cost of lime and a nice profit per acre per year is the result. It's profits like these that contribute esthetically as well as financially.

To determine if your soils are acid and need lime, you should collect samples and have them analyzed. Come by our office to get soil sample boxes, record sheets and other materials and information on collecting and preparing your soil samples says Smith. You'll be glad you did.

PAMPLIN

Mrs. Ruth Sanderson returned home last week after a visit with Mr. and Mrs. Claude Jones in Durham, N. C.

Mr. and Mrs. Weldon Price and family spent a part of last week end with Mr. Price's parents, Mr. and Mrs. A.N. Price. They were en-route to Blacksburg to enter their son, Bobby Price, a freshman at Va. Tech.

Mr. and Mrs. Ray Harley and family have returned to S.C. after a visit with Mr. and Mrs. James Rosser.

Mr. Lester Price, a former resident, is a patient at the Retreat For The Sick Hospital, Richmond, following a heart attack.

Mr. and Mrs. John Ranson have returned to their home from a visit with Mr. and Mrs. James Thackston in High Point, N. C.

Mrs. Nancy T. Williams and son Emmette of Richmond spent last week end with relatives.

Mr. and Mrs. Cleylon Pollard of Lynchburg visited Mr. and Mrs. Thomas Caldwell Sunday afternoon.

Mr. and Mrs. Marvin Driskill and family of Mt. Airy, N. C. are visiting Mrs. Driskill's parents, Mr. and Mrs. Hall Driskill in Darlington Heights.

Mr. and Mrs. Earl Wood and family of Colonial Heights were guest of Mrs. Wood's sister, Mrs. Earl Smith and family last Sunday.

Sp/4 Malcolm G. Inge returned to Osan Air Base, Korea last Monday after spending his vacation with his parents, Mr. and Mrs. J. M. Inge.

Sale Prices On Steers Up

Just over 600 yearling steers were sold at the Yearling Steer Sale in Lynchburg last Thursday. Two Appomattox producers had cattle in the sale--J. C. Caldwell, Jr. and H. R. Paulette.

Prices averaged about $8 over last year's $33.30. Last year yearlings in the Lynchburg Sale averaged 670 pounds; whereas, this year's cattle averaged more than 50 pounds higher. Unusually good grazing conditions accounts for this.

Magnavox introduces...

Modular 100% SOLID-STATE Color TV

plug-in circuit panels, modules and transistors let your serviceman fix what's wrong without the expense of replacing what's right!

100% Solid-State is the most reliable color TV. And, now Magnavox introduces Modular 100% Solid-State. An even more advanced Solid-State. Simpler, with five plug-in circuit boards . . . and plug-in mini-modules and transistors . . . that snap in . . . and snap out. If anything goes wrong it's a snap to service. Remember . . . don't ask for just Solid-State . . . ask for Magnavox Modular Solid-State.

$599

Contemporary styling - model 7540

100% Solid-State Modular Chassis—for more performance, more reliability and more serviceability than ever before! No tubes to heat up or burn out. Should servicing be necessary, it's no big deal. Everything is easy to get to and quick to fix! Solid-State mini-circuit modules and the transistor plug-in circuit panels. Your serviceman can fix what's wrong without replacing what's still right.

The Magnavox Total Automatic Color System is so sophisticated, it automatically compensates for color changes between scenes and channels. You'll always get a perfectly tuned, color-right picture instantly . . . and *automatically!*

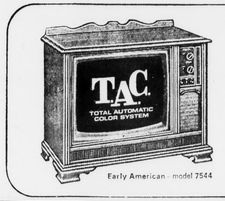
Instant Automatic Fine Tuning—"remembers" the precise setting for every station signal and keeps it locked in for a perfectly-tuned, precise picture on every channel, every time—*automatically!*

Automatic Tint Control—brings natural flesh tones. No green people. No purple people. You'll always see "people" people on a Magnavox . . . in every scene, on every channel—*automatically!*

Automatic Chroma Circuit—reduces variations in color intensity—and gives more uniform color from station to station.

The Brilliant Matrix Picture Tube—incorporates today's most advanced tube technology. Every color dot is completely surrounded by opaque blackness to reduce reflections and give you far better contrast—far more brilliance!

WARRANTY
ONE FULL YEAR PARTS AND SERVICE. If anything goes wrong with your TV during the first year and it's Magnavox's fault, it will be repaired—with no charge for labor or parts. And, if your picture tube becomes defective within two years, it will be exchanged for a new tube. In the first year, Magnavox pays for installation; in the second year, you do.



Early American - model 7544

MODULAR 100% SOLID-STATE COLOR TV with Exclusive... VIDEOMATIC...

Videomatic is an ingenious electronic eye that watches the light you watch television by! Exceptionally sensitive, it constantly monitors the light in your room . . . and *automatically adjusts* the picture's color, brightness and contrast—to achieve the best possible color-right picture—whether your room is bright or dim, whether it's day or night. No more jumping up to adjust controls—not if your room becomes dark . . . not even if it becomes flooded with light. You'll always receive the color-right and perfectly-tuned picture you desire . . . and deserve!

Your choice of Contemporary, Early American and Mediterranean fine furniture styles.
